

## PROLIFE FACTS

Youth based pro-life organisation **Prolife NZ** is bringing out high profile American pro-life leaders Jill Stanek and Bryan Kemper this summer. Between January 28th and February 8th they will be touring New Zealand, inspiring and equipping New Zealanders to speak up for the un-born.

Jill Stanek is a former nurse who went public in her effort to protect both born and pre-born infants in the hospital at which she worked. Bryan Kemper is the founder of **StandTrue Pro-Life** and the **Pro-Life Day of Silent Solidarity**.

Bryan and Jill will speak from their US experiences on how we can create a pro-life New Zealand. There will be opportunities to hear Jill and Bryan speak in Auckland, Christchurch, Dunedin, Hamilton Palmerston North and Wellington. A range of pertinent topics will be addressed, including "How to reach this generation with the pro-life message" and pro-life blogging. Specific dates and venues are on the website: [www.prolife.org.nz/tour](http://www.prolife.org.nz/tour).
