

## PROLIFE FACTS

Father Andrew, parish priest of Holy Family Catholic church in Te Atatu, decided that he personally needed to do something about abortion. He turned to his Legion of Mary prayer group for help, asking if they would participate in offering a Rosary every Sunday at 3:00, in reparation to God for the sin of abortion. Their immediate answer was, yes, they would gladly help, and the weekly **Rosary for Life** is now in its third year. There are now literally hundreds of pro-life prayer groups starting up all over the world. For example, “**Priests for life**” – America, “**40 days for life**” - England, “**Pro-life**” – Australia, “**Sanctity of Life Sunday**” – Africa. Why is prayer and sacrifice important? Jesus showed us the way of prayer and sacrifice. Prayer and sacrifice is important to God, as these are works of love and humility. It is not always easy – Fr Andrew admits that the commitment to come every Sunday at 3 o’clock is difficult, and there have been times when he hasn’t wanted to, but he always does, for the cause of life. Who can start a group? Anyone can! But first you must be committed to the prayer and the sacrifice by yourself. One thing Fr Andrew promised Our Lady was, even if it be him alone... he would still come every Sunday at 3:00. Where can the group pray? The best place is in a church, in the presence of Jesus, but if necessary, why not start a prayer group in your own home?
