

PROLIFE FACTS

There have now been nine coordinated **40 Days for Life** campaigns since 2007, mobilising people of faith and conscience in 422 cities across all 50 of the United States plus communities in Canada, Australia, England, Ireland, Northern Ireland, Spain, Denmark, Germany, Georgia, Armenia, Belize and Argentina. Another **40 Days for Life** campaign recently ended on November 6th. During those 40 days, there have been at least 732 lives saved. The **40 Days for Life** campaign is firmly rooted on a foundation of prayer and fasting. To help maintain focus on the Lord and stay in tune with His guidance, participants are offered a series of daily devotionals — one for each of the 40 days of the campaign. Over 500,000 individuals and 14,000 church congregations have now been involved in the 40 Days for Life campaigns, which also include prayer vigils beside abortion facilities. The only sign participants need to bring is themselves, as they represent God's love, reaching out to those considering abortion. At least 5,045 have been saved and hundreds of men and women spared from the tragic effects of abortion since 2007. Many people with past abortion experiences have stepped forward to begin post-abortion healing and recovery. The next campaign begins February 22nd. For more information, visit www.40daysforlife.com.
